Outreach

External Engagements

In collaboration with Sciences Po, **TCPD** organised two conference events in Paris on June 24-25, 2019. The first one was on *Women in Indian Politics*. This event was sponsored by Facebook. The second event was a part of the **LIA SPINPER** project and the theme was *The 17th Indian General Elections: National and Regional Perspectives*. This was supported by CNRS. Various members of the **TCPD** team participated in the conference. The complete program is available [here](#).
