

August 2019, Issue 11

Outreach

External Engagements

TCPD in collaboration with the University of Melbourne's School of Government and the Australia India Institute organized a forum on the *The Future of Electoral Democracy in India and Australia* on August 20 at the India Habitat Centre. The forum brought together leading electoral practitioners and thinkers from Australia and India for a day of practical knowledge-exchange on how each country organizes and regulates elections and what lessons each can learn from the other.

Publications
