EXPERIENCES

What our summer interns have to say

“

Debdoot Ray
Student, Ashoka University

As a sophomore, I will always remain incredibly grateful for TCPD Summer Internship. The projects were academically enriching and working on them was equally engaging. All the Friday sessions were extremely informative and I really appreciate the wealth of knowledge and insight that all the panelists have shared with us. In addition to that, my supervisors have been accommodating, considerate and helpful throughout the internship.
