EXPERIENCES

What our summer interns have to say

“

Nandini Rawat
Student, Delhi School of
Economics

Working at TCPD is a very educational and fun experience and taught me data wrangling skills I'll be using a lot moving forward. Knowing how to deal with messy real-life data cannot be learned in a classroom, and I'm very grateful to the team for helping me to overcome my fear of quant.

ANNOUNCEMENTS

General updates about Centre related activities.

WELCOME!

We are happy to welcome Puneet Arya to the team who has joined us as a software developer. Puneet has completed his master's in engineering from Thapar University Patiala. He is pursuing a PhD in biomedical instrumentation. His research interests lie in data analytics and visualisation. Previously, he was associated with a startup incubated at Thapar University and worked in embedded systems.
